## Miraculous Maitri Journey in Kolkata and Orissa

*(SatMaitreyi Sulataji and AgniMitra Jeevi travelled in August end to Calcutta / Orissa to conduct multiple Maitri sessions)*

On 29<sup>th</sup> Aug, we had Maitri Session in the serene temple premises of Jagannath Temple located in the ethnic and mystical city of **Kolkata**.

The gathering consisted of about 50 members. The session flowed with devotees of all age groups coming for Dadashreeji and Babaji's blessings and grace. The simplicity of people won our hearts as even with so many religious rituals of the janamasthami celebrations, they all stayed back till late to listen to Dadashreeji's teachings and receive abundant grace. Children and senior citizens enjoyed the most!

The following day took us to **Badrakh district in Orissa** where we had Maitri session with around 70 people in the Om Shanti Ashram of Brahamkumaris. Tears did not stop flowing by the warmth and welcome offered to us by the senior *didis* of the Ashram. Session flowed beautifully despite no electricity for around 30 minutes of the initial session. People yet sat through silently in the candle lit room. Towards the end, Maitri Bodh Parivaar sevaks and Brahamkumaris together did lamp lighting while concluding remarks from their senior didi was *"Is kali yug mein aise sundar maitre satsung aur bhi hone chaheye"*. They tied us Rakhis thus strengthening the bond of universal brotherhood and friendship.

Sunday, 1st September, was spent in **Cuttack and Bhubaneswar** wherein we met large number of true seekers and Babaji's devotees. Grace, Grace and Grace flowed all through these sessions, people experienced clarity, divine presence and love all around them.

*Glory to our Masters! Humble Prostration at thine holy feet !*

## MaitriBodh: Awakening a friend within...

On 15th Sept '13

**Shri Siddha Ashram, Malleswaram, Bangalore**

MaitriBodh is a humble initiative ( a full one day session) to transform the beings thereby witnessing one Global Happy Family. The wave of this transformation is channeled to all under the guidance of 'Dadashreeji' and grace of 'Mahaguru Mahavatar Babaji' and these sessions are conducted by Mitras and Maitreys of the Parivaar.

On 15th Sept our first MaitriBodh was held in Bangalore, with Dadashreeji's grace flowing in through Mitra Shankji and Maitreyi Sulataji, along with the help of Agni Maitreyi Roopaji and Dhyeya Mitra Santoshji.

The Siddha Ashram had powerful divine energies flowing as if the previous Masters were waiting for something like this, with the Guru's 'samadhi' being in the Ashram itself. The event saw 45 seekers (some learned pandits), experiencing the grace and love of Babaji & Dadashreeji, with a divine... A most beautiful heartfelt session, with great experiences by some of the participants.

## MASTER'S PATH OF LOVE AND PEACE NEW DELHI

The much awaited **Master's Path of Love and Peace** was held on the 22<sup>nd</sup> of September at the Sathya Sai International Centre, Delhi. The event coordinated by our youngest Maitreyi Richaji was planned and executed to the last detail. An audience of ninety people had gathered to hear and experience the Master - many of whom were seeing HIM for the first time.

After an aarti and a brief introduction by the Maitreyis, Dadashreeji gently in all his simplicity began what would turn out to be a completely interactive session with questions on life, spirituality and possible solutions to problems faced, being raised by the audience. As always, the Master while answering their questions - asked or unasked, in the most basic way and lending realistic solutions, simultaneously sprinkled with words of truth, life sutras, meditation techniques and over and above establishing a connect that would last a lifetime with each and everyone present, unfolded. Amidst undying faith, speculation, disbelief and instant connect, the Master went about conveying the importance of the Mission of love and peace being established on Earth in this time and age and being upheld more importantly than the faith in Babaji and Dadashreeji as Masters'.

The manthan in the lives of the seekers had begun and it would not be long before they would experience their first dip into the ever flowing river of love and peace only to return time and again never to be satiated until the final moment of merging in with it - whenever it comes!

With the bhaav expressed by Shankaracharya in his Guru stotram - Prostrations to that Guru who is the Lord of the Universe, our Teacher, who is the Teacher of the Universe, who is the Self in each of us, and the Self in all Beings.

## Project Aditi Mumbai on 8th Sept' 13

Venue : Freedom fighter HBG Old age Home in New Panvel.

About 10 Mitras and Maitreyis visited this old age home with an objective to *"Spend quality time and spread Love with the residents at old age home"*

All the devotees, mitras / maitreyis who took part in it were left speechless. The abandoned parents at this place were in agony, pain and depression. With Dadashreeji's grace the Maitri Parivaar participants managed to bring smile on their face and lighten their hearts, as they spent some quality time with them chatting and listening to them, some playing games with them, thus giving mental solace and peace. It was decided to visit this place on a regular basis, realizing that how great this deed is, one of the best gifts by giving time to these elders who seek nothing but love and respect.

## Project Aditi- A visit to Earth Saviour Foundation, Delhi

Mitras, Maitreyis and Sevaks came together to do Samay Daan at The Earth Saviour Foundation, Delhi on the morning of 8th September.

A quick orientation to the organization from founder Mr. Ravi Kalra was done and we all felt very much a part of Earth Saviours. It provides shelter to almost more than 60 abandoned senior citizens, some of them with mental health problems.

Maitri Bodh Parivaar team spent time with the senior citizens listening to their stories, addressing their concerns, sharing with them the importance of personal hygiene.

Further, Sarojji conducted a meditation session for some of them which was very much appreciated and liked by all.

The two hours spent with the senior citizens were meaningful to all and taught us to respect and take care of the elderly people in our life. Maitri Bodh Parivaar assured Mr Kalra of their continuous support to his endeavor and will follow up regularly by visiting Earth Saviour Foundation.
