MaitriBodh Parivaar celebrates Gratitude Day

The month of July saw the much-anticipated and awaited event of the year – the auspicious Guru Purnima – celebrated as Gratitude Day. The chain of events through the different parts of the country initiated from Amritsar (6th July), which exhibited the

blossoming of the Divine Centre at Punjab. On the 12th of July the grand celebration took place in Mumbai, starting with the celebrations at ShantiKshetra Premgiri Ashram, Karjat, in the morning. The evening celebrations at Dadar concluded with all the devotees receiving Dadashreeji's blessings and grace.

GuruPurnima (Gratitude Day) in Amritsar (6th July)

It was a rare opportunity to receive blessings directly from the incarnate of love - 'Dadashreeji'. A day to witness and experience inner transformation.

Dadashreeji addressed all the devotees saying, that to achieve transformation one needed to change from within and it was only possible by making a positive shift in the thinking pattern. We have to change the way we think and then we will see for ourselves that nothing is impossible. Positive thinking has the power to bring about change and transformation which is the need of the hour. Our thoughts and samskaras make us who we are. Positive change in thoughts can help us live a purposeful and fulfilling life, thereby, enabling achievement of one's goals in life too.

Today, society is hounded by negative thoughts, selfishness and ulterior motives. Pure, positive thoughts help lead a simple, problem free and uncomplicated life. One must feel love, compassion and peace for all beings since we are children of the same 'GOD'.

Strive to live a life full of 'peace, truth and love'. He emphasized on the need to place society before self, to treat all equally. Spreading love, truth and peace is the path to salvation. Good thoughts lead to good deeds which can only be done when the heart is pure and the mind is clean. Leave no opportunity to serve society selflessly. Purification of the mind will help us lead purposeful and meaningful lives that would benefit and motivate one and all.

One must connect to the divinity within and only a true 'Guru' can make that connection. One can make the connection either through bhakti/devotion or through prayers whichever suits best. Competition amongst each other has misled us and in the race to be like someone 'else' we have lost the connection with our true inner 'self'.

The disciples also spoke on how a Guru guides and uplifts the true seeker and also why it is necessary to have the grace of a 'Guru' in one's life. Soulful, devotional bhajans were sung by Maitreyi Prakriti (Lavanyaji).

Divine Grace and energy flowed during the 'Samuhik Shakti Pravaah' directly by Dadashreeji along with 4 sadhaks, to all those who were present at that time, which saw such high energies, and an endless flow of grace and love, which left all the seekers mesmerised.

The event concluded with all the devotees receiving blessings and grace from Dadashreeji.

Various sessions & GuruPurnima in Europe:

In July, Maitri sessions were conducted in the European cities - Zurich (Switzerland), Winterthur (Switzerland), Berlin (Germany) and Munich (Germany) with over 100 attendees in total.

"The love which was flowing increases more and more", "The seekers sometimes start the session from their mind and are transformed to their hearts with tears on their cheeks", "Everytime a tear flows - it heals an inquiry in the heart." – These are some quotes from the attendee's. Seeing and feeling the difference from the first Maitri session in January 2014 to only 6 months later, it is impressive how the flow of energy and love increased. Thank YOU so much Babaji and Dadashreeji for touching and healing so many souls.

Our first ever overseas GuruPurnima was also celebrated on 12th July at Winterthur, Switzerland, by a small group of devotees, a new beginning to offer gratitude.

Various Maitri sessions were also held in Delhi, Pune and Mumbai as well. MaitriBodh Parivaar continues touching hearts and transforming souls, under the grace and guidance of our beloved Master *prema-swaroopi* Dadashreeji.

Chhabeel (15th June)

A Chhabeel was organized at Vasant Kunj in Delhi keeping in view the sweltering summer heat. The event started in the morning with the chanting of Babaji and Dadashreeji's Mantra. Rooh Afza was served to about 500 people (passing by the lane where we had set up our stall) on this occasion. All these people were served the drink with lots of love and compassion. Many passers by stopped by themselves and asked for the ice cold drink. Love & gratitude at the lotus feet of the Masters.

Dadashreeji

Curly hair and twinkling eyes
His charming smile makes people run to him
from miles
His golden heart beats for all
Unconditional love he showers on every soul
An embodiment of compassion
He is merciful and forgives in no time
And teaches lessons to lead us in this life time
No judgement he ever passes
His love for all encompasses
His presence illuminates every being
Our guiding light he is always keen
To make us blossom in all seasons of life
But ensures that we first qualify
His tests which he really likes to give: /
Standing beside us, he never leaves
Till we pass and walk ahead
Cares he never about his own needs
His heart does sometimes bleed
For his children who are naive
Seated in our heart, he always shines
Awakening in us the love for divine

In Gratitude

I bow down and touch your feet
With my heart and soul
In gratitude my ever dearest Dada
For having found me amongst millions
To love, bless, guide and protect me
So that I can live each moment in your grace
Holding my hand always
You never let me fall
And showed me the truth
That you are one and all
You taught me the path of faith
And said that it's never too late
To forgive, let go and move on
To transform, experience love and peace
Because life is a beautiful ride
When you are with me as my guide
Words fall short to thank you Dada
As I bow down again to touch your feet Dada

GuruPurnima @ ShantiKshetra Premgiri Ashram, Karjat (12th July)

The devotees decorated the Ashram as one decorates their house to welcome God. It was a day when the devotees didn't pray – but only thanked God for blessing them with their guiding light 'Dadashreeji-an incarnate of Love'.

The celebrations began with Guru Paduka Abhishekam done by the disciples. The devotees with all their love for the Sadguru invoked the presence of Dadashreeji in their hearts and did Abhishekam to his Padukas. The ceremony was completed by singing Aarti.

The wait was finally over when Dadashreeji gave his Darshan. All hands were joined together, eyes wet and hearts filled with love and gratitude for the Master who showered us all his love and grace on us his children. One by one the devotees offered flowers at Dadashreeji's lotus feet and conveyed their gratitude for choosing them to be a part of his life. Our most beloved Dada however, thanked each devotee for being present on this day in the Ashram.

GuruPurnima (Gratitude Day) in Mumbai (12th July)

History witnessed one of the most powerful showerings of Divine Love and Grace, on seekers (around 700) in the jam-packed hall of King George School auditorium, in Dadar, Mumbai, on Gratitude day.

The event started with lamp lighting by our devotee's. Noted corporate coach and Dada devotee Anand Tendulkarji gave an introduction on the importance of guidance in life, teacher/Guru and Gurupurnima. A short video clip of the Mission's various social and spiritual events was screened, which beautifully depicted the silent but powerful work of the MaitriBodh Parivaar in society over the years.

Noted singer Maitreyi Prakriti mesmerized the audience with her soulful singing as she invoked the presence of the Master, when Dadashreeji arrived on the stage. With His very presence the audience were stilled, as Dadashreeji addressed all about the present conditions of humanity and where our mission is headed, to bring about a transformation in the entire globe, with an attitude of only 'giving' to all, those who come to us. He stressed three very important points for each person to absorb in one's in life, so as to achieve success, both in the world, as well as grow spiritually: 1) *Shuddha vichar* (purification of thought), 2) *Satya Karma* (right action) and 3) *Sambandh* (bond) with the Divine.

The climax of the event was 'Samuhik Shakti Pravaah'- Divine Energy transfer directly by Dadashreeji, channeled through 4 sadhaks, to all those who were present at that time, which saw such high energies, and endless flow of grace and love, leaving each one stilled, speechless and spellbound, for a never-before experience in life. One just can't thank Dadashreeji and Babaji enough, for this most beautiful invaluable gift to all, on the occasion of Gurupurnima, which each participant will revel in for a long long time to come.

Let us keep alive the lamp of Guru-tattva, to transcend the bondage of sorrow and death, and experience the true Consciousness and Reality. Let us pledge to worship our Dadashreeji by following his teachings, to shine as the very embodiment of his teachings, and to propagate his glory and his message.
